

INSTRUMENTS FOR EDUCATION

Collecting and donating instruments to area school classrooms

www.instrumentsforeducation.org

TEACHERS GET A FREE INSTRUMENT FOR YOUR CLASSROOM!

Instruments For Education (IFE) is a non-profit organization that was created by local songwriter and musician Troy Castellano. IFE collects new and used instruments and donates them to area school classrooms. For teachers who play an instrument and would like to have one on hand in the class that the teachers and students can play. Teachers who teach *with* music are more likely to engage young students and keep their interest in school. Guitars, Keyboards, Percussion, and some brass /woodwind are available. To find if we have what you want, visit our website and make a request through the "receive" form.

Have a donation? We accept most instruments as well as monetary donations. 100% of the monetary donations go directly to IFE to buy more instruments and to grow the organization. Visit our website and click on "donate" to make a contribution. Please share our facebook page with your fellow staff members!

At IFE we are passionate about keeping "real world" instruments around for children to be able to touch/play. We want to inspire them with a lifetime passion! Making music is an amazing escape and beats the heck out of video games, the internet and binge watching tv!
